ON THE AGENDA FOR DISTRICT 2

D2 DOWNTOWN Business-district renewals — assessments incl. Chinatown, Koreatown, Lake Merritt-Uptown, Downtown & Jack London. **File 26-0755**

Why it matters: Funds cleaning, safety & marketing for the Chinatown and Lakeshore corridors.

Citywide HOUSING \$14.7M federal housing plan — 2026–27 HUD Action Plan (CDBG, HOME, ESG, HOPWA) for housing, homelessness & rehab. **File 26-0701**

Why it matters: Sets how ~\$15M in federal money is divided across housing, homelessness and home repair for the year.

Citywide IMMIGRATION “City of Refuge” ordinance — reaffirms & codifies Oakland's sanctuary-city policy and limits on immigration-detainer cooperation. **File 26-0391**

Why it matters: Writes sanctuary protections into city law — harder to reverse.

Citywide SAFETY Sideshow penalties & police chief search — stiffer sideshow fines & impound authority (File 26-0781) and an update on recruiting a permanent Chief of Police (File 26-0780).

Why it matters: Public-safety enforcement, plus who will lead OPD.

Citywide HOMELESSNESS November ballot measure — transfer-tax foreclosure-exception change + an advisory vote on spending revenue on shelter & homelessness services. **File 26-0691**

Why it matters: Could send real money for shelter and homelessness services to the November ballot.

Also Tuesday: Life Enrichment weighs \$20.7M in Oakland Fund for Children & Youth grants (citywide).
